

# A Resolution honoring the lives and memory of those tragically killed and those injured during the mass shooting at the Inland Regional Center building in San Bernardino, California, on December 2, 2015

WHEREAS fourteen people tragically died in their workplace on December 2, 2015, in a mass shooting at a government building in San Bernardino, California; and

WHEREAS a number of other individuals in the building at the time were wounded during the incident; and

WHEREAS approximately 20% of the San Bernardino County Department of Public Health's Environmental Health Services Division workforce was killed in the shooting; and

WHEREAS the sudden and violent deaths of these individuals in their workplace is shocking and difficult to comprehend; and

WHEREAS public employees, specifically environmental health practitioners, assume some risk every day when they are performing their appointed duties; and

WHEREAS the entire environmental health profession shares in the pain and the grief when a fellow professional is lost; and

WHEREAS it helps to ease the pain and suffering when fellow professionals are present to share the loss; therefore be it

RESOLVED that the members of the Minnesota Environmental Health Association honor and memorialize the lives of those killed and injured on December 2, 2015, in San Bernardino, California with a moment of silence at the Annual Meeting on May 13, 2016; and be it further

RESOLVED that a copy of this Resolution be shared with the California Environmental Health Association, and offered with our heartfelt sympathy in their bereavement.
