Sponsors will have excellent visibility and interact with attendees from academia, industry, regulatory, and other professional backgrounds who are involved with Food Safety and Environmental Health. As a sponsor, your organization will be demonstrating a commitment to promoting safe food, clean water, air quality, and an overall healthy environment. Opportunities are outlined below. **All sponsors giving \$500 or more will receive a vendor table for free, please include a vendor application if a vendor table is desired.**

Sponsorship Opportunities

All sponsors are featured on a separate sponsors page in the printed materials given to all conference attendees at registration

Speaker* Cover speaker fees for one of the keynote speakers.

Track* Cover costs of an entire topic track, such as Water Quality, Waste Management, Healthy Housing, etc.

Break** Cover cost of snacks and beverages during a break. Signs will be posted at the break area informing attendees of the sponsor.

Networking Event** Cover cost of food, beverage, transportation and/or venue rental for an evening networking event. Signs will be posted at the event informing attendees of the sponsor.

Lunch** Cover partial costs for a conference luncheon. Sponsorship includes table tents informing attendees of company or organization that sponsors the lunch.

*These sponsors will be listed on the agenda schedule next to the corresponding speaker or track

**These sponsors will receive recognition by verbal announcement to attendees prior to break/lunch/networking event, as well as logo placement on a large sponsor banner located at the conference registration station
