

Conference Vendor Application

NEHA Region IV Conference & FDA Central Region Seminar

September 19-21, 2017

The Commons Hotel, Minneapolis, MN

"Cultivating Excellence Across Borders"

Vendors will be able to meet and interact with conference attendees in a relaxed setting while showcasing their products and services. These interactions are an opportunity for relationship building and a venue for holding productive discussions about your group's connections to Food Safety and Environmental Health. We have limited vendor space and will review applications in the order they are received.

Minnesota Environmental Health Association
