<http://mehaonline.org>

Greetings,

Minnesota Environmental Health Association is pleased to invite you to the 2022 Spring Educational Conference that will be held May 12th and 13th at Chase on the Lake in Walker, Minnesota.

Exhibitors at the spring conference have the opportunity to meet and interact with Environmental Health professionals in a relaxed setting. This interaction creates opportunity for productive discussions about your company's unique products and services. We have room for exhibitors to display infographics, equipment, and promotional products. Additionally, all exhibitors are encouraged to attend any educational sessions they find interesting and participate in the networking events.

Lunch and refreshments during breaks throughout the conference are included in your exhibitor registration. We encourage you to join us for breakfast and dinner if you would like at an additional per meal cost. These costs vary per meal and can be handled directly through Chase on the Lake.

MEHA offers sustaining members discounted registration rates; otherwise, the general exhibitor registration rate is \$200. The quickest way to register and pay is online, <https://meha.wildapricot.org/>. Please indicate in your registration form what your space needs will be for tables and electricity. If you need to send registration payment by check, please do so by Friday April 22nd. Mail checks and paper registrations to:

MEHA
P.O. Box 441
Anoka, MN 55303

To register for lodging, submit [this completed form](#) to megan.yeats@chaseonthelake.com or call the front desk (218-547-7777) and reference the MEHA spring conference for the block rate. Rooms are being held until April 28th so please don't delay. Additional questions regarding lodging can be directed to megan.yeats@chaseonthelake.com

The MEHA Scholarship Committee is hosting a few fun events to encourage members and guests to hang out with some old friends and make some new ones. Proceeds from these events go directly to the scholarship funds that support the Mary Lauren Olson Memorial and Northstar scholarships. **Trivia** will be hosted on Wednesday evening. A **raffle** for some unique prizes will be showcased throughout the day Thursday, with prize drawing Thursday evening, and a **beanbag tournament** will take place Thursday night after dinner. ***Please reach out to Julia Selleys at Julia.Selleys@hennepin.us to register for the bags tournament, trivia, or if you have interest in donating a raffle item.*

MEHA hopes you take advantage of these opportunities to meet and socialize with our members and make fruitful connections. For any questions regarding the conference, contact Amy Zagar amy.zagar@hennepin.us or 612-543-5267.
