## MENTORSHIP PROGRAM 2025

MEHA Winter Education Conference

January 30, 2025

Heritage Center of Brooklyn Center

Share your wisdom with the next generation of EH professionals!

The MEHA Student Committee is looking for professionals to serve as mentors to environmental public health students from participating colleges.

**Pairing of mentors and mentees will occur during the lunch period of the 2025 MEHA Winter Conference, January 30 2025 in Brooklyn Center.**

**Commitment:**

- Must attend the conference
- Provide email and phone numbers to mentees
- 45 minute meeting with student on 1/30/25.
- One year of contact with mentee

*"I enjoyed getting to meet an interested student that became a good intern for our department."*

*"It was 'fun' to meet students in the program and to see how they think, what their interests area, what they are studying"*

**Interested? Please email by December 1, 2024**
