Address at the State Capitol

Dear Senator/Representative ***XXX (use name):***

I am a resident of district ***XXX***.

The legislation addressing (***HFXXX/SFXXX***) is of interest to me because I am a (***Registered Environmental Health Specialist, Registered Sanitarian, etc.***) and a member of the Minnesota Environmental Health Association (MEHA).

This issue directly impacts (***my community, my environment, my profession, the way we as professionals will be able to function effectively, etc.***). I am primarily concerned about (***describe the specific concern within the larger issue***) because (***state reasons or examples briefly with only as many relevant details as necessary to clearly make your point.***)

Thank you for your consideration of my viewpoint on this matter. I believe it is an important issue and would like to see the legislation (***pass, fail, or be amended to XXX***).

I look forward to working with you to improve the environmental health of our state.

Sincerely,
